Questioned Document Examiner Letter

Subject: William B. Brock

Date: October 10, 2007

I have examined five (5) documents with the known handwriting of William B. Brock. For the purpose of this examination I have labeled these exhibits 'K1' through 'K5'.

Today I have compared the handwriting of William B. Brock on the 'K' documents to the William B. Brock handwriting on the questioned document, identified herein as 'Q1' to determine if the author of the William B. Brock handwriting on the 'K' documents was the same person who authored the handwriting on the questioned document: an alleged suicide note.

Based upon thorough analysis of these items, and from an application of accepted forensic document examination tools, principles and techniques, it is my professional expert opinion that a different person authored the handwriting on the questioned document. Someone did indeed forge the handwriting of William B. Brock on the questioned document Q1.

I am willing to testify to this in a court of law and I will prove to the Court that my opinion is correct.

Respectfully submitted,

Curtis Baggett
